

IRCON INTERNATIONAL LIMITED
(A Govt. of India Undertaking)

EXPRESSION OF INTEEST FOR FORMATION OF JOINT
VENTURE/CONSORTIUM.

Ircon International Ltd, is an internationally renowned leading Public Sector Construction Company engaged in the construction of Turnkey Electrical Projects in the Power and Railway Sectors.

Ircon intends to form a Consortium/Joint Venture with suitable financing firm and Transmission line Construction firms for the HVPNL Transmission Project for development of 400 kV Transmission System for the evacuation of the Electricity from 2 x 660 kV Thermal Plant at Jhajjar, Haryana, through Public Private Partnership (PPP) on Design, Built, Finance, Operate and Transfer (DBFOT). Ircon shall be the lead member.

EOI is invited from suitable Financing companies and Transmission Line construction companies interested in partnering Ircon on this Project. Companies may apply with their detailed credentials to Executive Director/EMS, Ircon International Ltd, C-4, District Center, Saket, New Delhi – 110 017 within 10 days of this advertisement. EOI may be submitted including basic information in the formats, which can be downloaded from Ircon website www.ircon.org along with all supporting documents.

Executive Director/EMS

EXPRESSION OF INTEREST FOR FORMATION OF JOINT VENTURE/CONSORTIUM

1. Haryana Vidyut Prasaran Nigam Limited (HVPNL) have invited tender for 400 kV Transmission System for the evacuation of electricity from 2 x 660 Thermal Plant at Jhajjar, Haryana through Public Private Partnership (PPP) on Design, Build, Finance, Operate and Transfer (DBFOT) basis..

2. Role of JV/Consortium:

The proposed JV/Consortium of Ircon with the partner(s) shall participate in this tender invited by HVPNL. Consortium/JV partner(s) shall not participate as individual or as partner with any other company for this work to be taken up by HVPNL. Ircon intends to take up the entire work of Electrical sub-stations and 50% of Transmission Line work for the Project. The other member(s) in the JV/Consortium will take up the remaining 50% of the Transmission line work and finance requirement for the project. However, the scope of work is indicative, and is subject to mutual discussions/agreement. Bidders may indicate their interest in the scope of work.

3. Working modalities:

Ircon International Ltd shall be the lead partner. Detailed modalities for operation of JV/Consortium including scope of work shall be decided mutually.

4. Selection criteria:

The factors to be considered for selection of firm are as follows:

- (1) General bidding requirements such as past experience/credentials relating to work executed, turnover, cash accruals, net worth etc. such that the consolidated strength of Ircon and the potential business partner meets the total requirement.
- (2) Synergy in operations.
- (3) Specialized knowledge/experience
- (4) Current financial health
- (5) Works executed in the past
- (6) Experience in the relevant sector e.g. already executed/executing a BOT project solely/as a partner.
- (7) Experience in achieving financial closure
- (8) Past experience with Ircon
- (9) Any other factor as deemed fit.
