IRCON gets 2 prestigious awards

Ircon International Limited, the leading construction PSU has been conferred with two prestigious awards in an event organised by Institute of Economic Studies on 14 April in New Delhi.

The company was presented Excellence Award whereas Chairman & Managing Director of Ircon International Ltd. SK Chaudhary, was honoured with Udyog Rattan Award. Speaking on the occasion, Chaudhary highlighted the contribution of IRCON and other PSUs in the economic growth of the nation.

He said, "The PSUs have

to meet the twin objectives of being profitable to themselves and profitable to the society as well.

IRCON International Ltd. has been striving to meet

these two objectives for the last four decades and the country is witnessing its efforts and contributions, particularly in rail and road infrastructure."
