Independent Auditor's Report

To the Members of IRCON LUDHIANA RUPNAGAR HIGHWAY LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of IRCON LUDHIANA RUPNAGAR HIGHWAY LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our checks and on the basis of information and explanation from the management we have determined that there are no key audit matter to be communicated in our report.

Information other than the Ind AS Financial Statements and Auditor's Report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Ind AS Financial Statements and our auditor's report thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we
 are also responsible for expressing our opinion on whether the Company has adequate
 internal financial controls with reference to Ind AS financial statements in place and the
 operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Company's ability to
 continue as a going concern. If we conclude that a material uncertainty exists, we are
 required to draw attention in our auditor's report to the related disclosures in the Ind AS

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

 Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2.
- A. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income/loss), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

- d. In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. Being a Government Company pursuant to the Notification No. GSR 463(E) dated 5 June 2015 issued by the Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of Section 164 of the Act, are not applicable to the Company.
- f. With respect to the adequacy of the internal financial controls with reference to Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Ind AS Financial Statements.
- g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

Being a government company, provision of section 197 of the Act are not applicable vide notification no. GSR 463 (E) dated 5th June 2015, issued by the Central Government of India.

- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigation which would have a material impact on its financial position.
 - b. Based on the assessment made by the company, there are no material foreseeable losses on long term contracts that may require any provisioning. The company did not have any derivative contracts for which there were any material foreseeable losses.
 - During the year, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. (i) The management has represented that, to the best of it's knowledge and belief, as disclosed in the Note 38 (vi) to the Ind AS financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any challed a guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (ii) The management has represented that, to the best of it's knowledge and belief, as disclosed in the Note 38 (vii) to the Ind AS financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The Company has not proposed, declared or paid any final or interim dividend during the period and until the date of this report, therefore, the reporting under this clause is not applicable.

to the Independent Auditor's Report on the Ind AS Financial Statements of IRCON LUDHIANA RUPNAGAR HIGHWAY LIMITED for the year ended 31st March, 2025

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to Ind AS financial statements of Ircon Ludhiana Rupnagar Highway Limited ("the Company") as of 31 March 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls with reference to Ind AS Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Ind AS financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS financial statements included obtaining an understanding of internal financial controls with reference to Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Ind AS financial statements.

Meaning of Internal Financial Controls with Reference to Ind AS Financial Statements

A company's internal financial controls with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Ind AS financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS financial statements to future periods are subject to the risk that the internal financial controls with reference to Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Ind AS Financial Statements and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Ind AS Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The financial statements are approved for issue by the company's Board of Directors in their meeting held on 29.04.2025

2. Material accounting policies

2.1. Basis of preparation of Financial Statements

i. Statement of compliance

The Financial Statements of the Company have been prepared on going concern basis following accrual system of accounting and in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

ii. Basis of measurement

The Financial Statements have been prepared under the historical cost convention except for the following assets and liabilities which have been measured at fair value:

Certain financial assets and liabilities measured at fair value.

iii. Functional and Presentation Currency

These Financial Statements are presented in Indian Rupees (INR) which is the Company's functional currency. All amounts have been rounded to the nearest Lakhs up to two decimals except for per share data, unless otherwise stated.

2.2. Summary of material accounting policies

A summary of the material accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

2.2.1. Current and non-current classification

Based on the time involved between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined twelve months as its operating cycle for the purpose of classification of its assets and liabilities as current and non-current in the balance sheet.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.2.2. Property, plant and equipment

Property, plant and equipment are initially stated at their cost. The cost of an item of property, plant and equipment includes:

- (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates;
- (b) Cost directly attributable to the acquisition of the asset which incurred in bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Depreciation on property, plant and equipment is provided on straight line basis over the estimated useful lives of the assets as specified under part C of schedule II of the Companies Act, 2013 and disclosed in the notes to accounts. The residual values is not more than 5% of the original cost of assets.

Property plant and equipment acquired during the period, individually costing up to ₹5000/- are fully depreciated, by keeping Re. 1 as token value for identification. However, Mobile phones provided to employees are charged to statement of profit and loss irrespective of its value.

Depreciation methods, useful lives and residual values are reviewed at each financial year-end.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

2.2.3. Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset.

2.2.4. Revenue Recognition

The Company derives revenues primarily from the Service Concession Arrangement comprising the construction and operation & maintenance services pertaining to an infrastructure (Road) on Hybrid Annuity Mode.

i. Revenue from Service Concession Arrangement

The Company's contracts with the Customers for the construction and operation & maintenance services under the Service Concession Arrangement (SCA) are accounted for as a single performance obligation as contract is negotiated as a package with a single commercial objective and involves complex integration of construction and maintenance services.

Revenue is recognised over the time using input method (i.e., percentage-of-completion method) which is consistent with the transfer of control to the customer because there is a direct relationship between the Company's effort (i.e., cost incurred) and the transfer of service to the customer. Under input method, contract revenue is recognized as revenue by reference to the stage of completion as at the reporting date. The stage of completion is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. However, where the Company is not be able to reasonably measure the outcome of a performance obligation, but the Company expects to recover the costs incurred in satisfying the performance obligation, the Company recognises revenue only to the extent of the costs incurred until such time

Harra

Jeann

Summary of Corporate Information & Material Accounting Policies for the Year Ended 31st March, 2025

that it can reasonably measure the outcome of the performance obligation. A cumulative catch-up adjustment would be recognized in the period in which the entity is able to reasonably measure its progress. Changes to total estimated contract costs, if any, are recognised in the period in which they are determined as assessed at the contract level.

Any expected losses on contracts in progress are charged to statement to profit & Loss, in total, in the period the losses are identified.

Revenue is measured at the transaction price that is allocated to the performance obligation and is adjusted for variable considerations. Variability in the transaction price arises primarily due to liquidated damages, price variation clauses, incentives, change in law etc. The Company recognizes revenue for variable consideration when it is probable that a significant reversal in the amount cumulative revenue recognized will not occur. The company estimates the amount of revenue to be recognized on variable consideration using most likely amount method. Consequently, amounts allocated to a satisfied performance obligation are recognised as revenue, or as a reduction of revenue, in the period in which the transaction price changes.

Contract balances

Contract assets

If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. The portion of the payments retained by the customer until final contract settlement is not considered a significant financing component since it is usually intended to provide customer with a form of security for Company's remaining performance as specified under the contract, which is consistent with the industry practice.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivable are recognised initially at the transaction price as they do not contain significant financing components. The Company hold the trade receivable with the objective of collecting the contractual cash flows and therefore measure them subsequently at amortised cost using the effective interest rate method less loss allowance.

Contract liabilities

If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Financial Assets Under Service Concession Arrangements (Appendix C to Ind AS 115 – Revenue from Contracts with Customers)

The Company recognise a financial asset to the extent that it has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor ("NHAI") for the construction services and Operation & Maintenance services.

Such financial assets are initially measured at fair value and subsequently at amortized cost using the Effective Interest Rate (EIR) method.

ii. Other income

Interest income is recognized using Effective Interest rate method.

All other income is accounted on accrual basis when no significant uncertainty exists regarding the amount that will be received.

2.2.5. Borrowing cost

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds and are charged to statement of profit and loss in the period in which they are incurred except when it meets the criteria for capitalisation as part of qualifying assets as per Ind AS 23.

2.2.6. Taxes

Tax expense comprises current tax and deferred income tax.

i. Current income Tax

Current tax is determined as the tax payable in respect of taxable income for the period and is computed in accordance with relevant tax regulations.

Current income tax is recognized in statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii. Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.2.7. Employee Benefits

i. Short Term Employee Benefits

Employee benefits such as salaries and wages, short term compensated absences, and Performance Related Pay (PRP) falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and undiscounted amount of such benefits are expensed in the statement of profit and loss in in the period in which the employee renders the related services.

ii. Post-employment benefits & other Long Term Employee Benefits

The employees of the Company are on deputation from Ircon International Limited, Holding Company. The post employee benefits & other long term employee benefits includes gratuity, provident fund, post-retirement medical facility, pension, leave encashment and leave travel concession.

As per arrangement with the Ircon International Limited, Holding Company, the cost in relation to post employee & other long term Employee Benefits will be reimbursed to the holding Company on the basis of fixed contribution based on basic pay and dearness allowance for the period of services rendered in the Company.

Hana

Brim

Summary of Corporate Information & Material Accounting Policies for the Year Ended 31st March, 2025

The Company's liability with respect to the long term employee benefit is limited to the extent of fixed contribution to be paid to the holding company. Actual settlement of the long term employee liability will be the responsibility of holding company.

The Contractual employees of the Company are not eligible for post employee benefits & other long term employee benefits.

2.2.8. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes unrestricted cash and short-term deposits with original maturities of three months and less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

2.2.9. Contingent liabilities & contingent assets

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation or present obligations that may but probably will not, require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent assets

Contingent assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

2.2.10. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration.

Company as a lessee

Short Term leases

The company has elected not to recognise ROU and lease liabilities for short term leases that have a lease term of twelve months or less. The company recognises lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.2.11. Financial instruments

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

i. Financial assets

a) Initial recognition and measurement

All financial assets (excluding trade receivables which do not contain a significant financing component, being measured at transaction price) are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of financial assets. Transaction costs directly attributable to the acquisition of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

b) Subsequent measurement

Subsequent measurement of financial asset depends on the Company business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its financial asset as:

Hama

Baun

Summary of Corporate Information & Material Accounting Policies for the Year Ended 31st March, 2025

Financial assets at amortised cost

After initial measurement, the financial assets that are held for collection of contractual cash flows where those cash flow represent solely payments of principal and interest (SPPI) on the principal amount outstanding are measured at amortised cost using the effective interest rate (EIR) method. Interest income from these financial assets is included in other income.

Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, and other contractual rights to receive cash or other financial asset.

For trade receivables and contract assets, the Company follows 'simplified approach' and measures the loss allowance at an amount equal to lifetime expected credit losses.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

c) Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset, and the transfer qualifies for derecognition under Ind AS 109.

The difference between the carrying amount and the amount of consideration received / receivable is recognised in the statement of profit and loss.

ii. Financial liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings, net of directly attributable transaction costs

The Company's financial liabilities include borrowings, trade and other payables and other financial liabilities.

b) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortized cost

After initial recognition, borrowings, trade payables and other financial liabilities are subsequently measured at amortised cost using the EIR (Effective Interest Rate) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

c) Derecognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Summary of Corporate Information & Material Accounting Policies for the Year Ended 31st March, 2025

2.2.12. Fair value measurement

The company measures financial instruments at fair value at each reporting period,

All assets and liabilities for which fair value is measured, are disclosed in the financial statements. Such assets and liabilities are categorised within the level 3 (Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable) of fair value hierarchy.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

2.2.13. Earnings Per Share

In determining basic earnings per share, the company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period.

In determining diluted earnings per share, the net profit attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

2.2.14. Prior Period Adjustment

Errors / omissions discovered in the current year relating to prior periods are treated as immaterial and adjusted during the current year, if all such errors and omissions in aggregate does not exceed 0.50% of total operating revenue as per last audited financial statement of the Company.

2.2.15. Significant accounting estimates and judgements

The preparation of Financial Statements requires the management to make judgements, accounting estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Significant areas of estimation and judgements as stated in the respective accounting policies that have the most significant effect on the financial statements are as follows:

i. Allowances for uncollected trade receivables

Trade receivables do not carry interest and are stated at their nominal values as reduced by appropriate allowances for estimated irrecoverable amount are based on ageing of the receivable's balances and historical experiences. Individual trade receivables are written off when management deems not be collectible.

ii. Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. There are certain obligations which managements have concluded based on all available facts and circumstances are not probable of payment or difficult to quantify reliably and such obligations are treated as contingent liabilities and disclosed in notes Although there can be no assurance of the final outcome of legal proceedings in which the company is involved, it is not expected that such contingencies will have material effect on its financial position of probability.

Hama

Summary of Corporate Information & Material Accounting Policies for the Year Ended 31st March, 2025

iii. Impairment of financial assets

The impairment provision for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, credit risk, existing market conditions as well as forward looking estimates at the end of each reporting period.

iv. Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the nature of business differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments that will impact the current and deferred income tax assets and liabilities in the period in which such determination is made. The company establishes provisions, based on reasonable estimates.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

v. Impairment of non-financial assets

The entity assesses at each reporting date whether there is an indication that an asset may be impaired. Determining the recoverable amount of the assets is judgmental and involves the use of significant estimates and assumptions. The estimates are based upon assumptions believed to be reasonable, but which are inherently uncertain and unpredictable and do not reflect unanticipated events and circumstances that may occur.

vi. Revenue recognition

The company's revenue recognition policy, which is set out in Note 2.2.4 is central to how the company values the work it has carried out in each financial year.

These policies require forecasts to be made of the outcomes of Contracts, which require, assessments and judgements to be made on changes in scope of work and claims and variations.

The Company has incorporated significant judgements over contractual entitlements for long term project. The range of potential outcomes could result in a materially positive or negative change to underlying profitability and cash flow.

Estimates are also required with respect to the below mentioned aspects of the contract:

- Determination of stage of completion
- · Estimation of project completion date
- · Provisions for foreseeable loses
- Estimated total revenues and estimated total costs to completion, including claims and variations.

These are reviewed at each reporting date and adjust to reflect the current best estimates.

25 Impairment of Assets

During the period, Company has carried out assessment on impairment of individual assets by working out the recoverable amount based on lower of the net realizable value and carrying cost in terms of Ind AS 36, "Impairment of Assets" notified under section 133 of the companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian accounting standards) Amendment Rules 2016. Accordingly, impairment loss of Rs. Nil (FY 2023-24: Nil) has been provided for.

26 Changes in accounting policies and disclosures

New and amended standards.

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2024 to amend / adopt the following Ind AS which are effective for annual periods beginning on or after April 1, 2024. The Company has adopted certain new accounting standards and amendments effective from April 1, 2024.

Ind AS 117, Insurance Contracts, which replaces Ind AS 104, provides comprehensive guidance on the recognition, measurement, presentation, and disclosure of insurance contracts; however, it had no impact on the Company's financial statements as the Company has not entered into any insurance contracts.

Further, an amendment to Ind AS 116, Leases, relating to lease liabilities arising from sale and leaseback transactions, was also notified. Since the Company has not undertaken any such transactions, the amendment did not affect its financial statements. As of the reporting date, there are no new standards that have been notified but are not yet effective.

29 Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade payables and other current financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Trade receivables, other financial assets and cash and short-term deposits. The Company is exposed to the following risks from its use of financial instruments: Credit risk, Liquidity risk and Market risk. This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk.

Risk Management Framework

The Company's activities make it susceptible to various risks. The Company has taken adequate measures to address such concerns by developing adequate systems and practices. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, cash and cash equivalents with banks and other financial assets. The Company's exposure and credit ratings of its counterparties are continously monitored by the management.

Hamo Caroling

Traim

Cash and cash equivalents

The cash and cash equivalents are held in public sector banks with strong credit ratings.

Trade Receivables and other financial assets

The Company's exposure to credit risk is influenced mainly by the characteristics of the customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company derives revenue primarily from the Construction of Expressway and other financial assets primarily relates to the unbilled revenue under Service Concession Arrangement (SCA). The credit risk arising from these trade receivables and unbilled revenue is limited because the counterparty is National Highways Authority of India (NHAI), an autonomous agency of Government of India, with capacity to meet the obligations and therefore, the risk of default is very negligible or Nil.

(Rs. In Lakhs) Exposure to credit risk Particulars As at As at 31st March, 31st March. 2025 2024 Financial Assets for which allowance is measured using life-time expected credit loss as per simplified approach 5.752.87 Trade Receivables Cash and Cash Equivalents 1,082.76 215.65 Other Financial Assets 52,579.65 25,295.76

(ii) Provision for expected credit losses

No impairment loss has been recognised during the reporting period.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity position of the Company is reviewed on a regular basis by the Board of Directors and appropriate decisions are taken according to the situation.

The table below provides details regarding the significant financial liabilities as at 31 March 2025 & 31 March 2024 (Rs. (ii) Interest rate risk

Interest rate risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Financial instruments affected by interest rate risk includes deposits with banks & borrowing from bank. Interest rate risk on deposits with banks are very low as interest rate is fixed for the period of financial instruments. The Company is exposed to interest rate risk arising mainly from non-current borrowings with floating interest rate because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates.

At the reporting date, interest rate profile of the Company's interest bearing financial instruments is as follows:
