CHAIRMAN'S MESSAGE

Dear Shareholders,

I am delighted to welcome you all at the Ninth (9th) Annual General Meeting of Ircon Davanagere Haveri Highway Limited (IrconDHHL) and present the Audited Statements for the Financial year 2025-26. I would like to thank each one of you for making it convenient for joining this meeting.

I would like to place before you, few highlights of Ircon Davanagere Haveri Highway Limited (IrconDHHL).

Ircon Davanagere Haveri Highway Limited (IrconDHHL), a wholly owned subsidiary of Ircon International Limited (IRCON) incorporated on May 11, 2017 as a Special Purpose Vehicle (SPV) with the main object to execute "Six-laning of Davanagere- Haveri from km 260+000 to km 338+923 of NH-48 (old NH- 4) in the State of Karnataka, to be executed as Hybrid Annuity Mode on Design, Build, Finance, Operate and Transfer (DBFOT) basis under NHDP Phase-V" in accordance with the terms of the Concession Agreement, signed with the National Highways Authority of India (NHAI) on June 19, 2017.

The concession period of the project comprises of construction period of 912 days (30 months) commencing from the Appointed Date i.e. January 24, 2018 (as fixed by NHAI) and operation and maintenance period of 15 years commencing from COD, with the Bid Project cost of ₹1177 Crore plus escalation excluding Operation & Maintenance (O&M) cost of 150 Crore. The scope of work comprises of six-laning of 78.923 Km (total length of Highway) of existing four lane main carriageway along with construction of 154.654 Km of service road length including major bridges, culverts, vehicular underpasses, pedestrian underpasses, flyovers and other allied works.

The scheduled date of completion of project was 24.07.2020. NHAI had approved Extension of Time (EOT) for the Project on account of COVID-19 upto 28.05.2021 and issued Provisional Completion Certificate (PCC) w.e.f 28.05.2021. Accordingly, from the said date, the project had entered into operation and maintenance phase for the period of 15 years. The first 10 (Ten) annuity payments have been received along with O&M payments till date.

The Operation and Maintenance contract for the completed works was initially awarded by IrconDHHL to M/s G R Engineers, Mathura (U.P) for 2 years from 07.10.2021 & extension of the Contract was granted upto 31.01.2024. Subsequently, the work for a further period of O&M for 2 years has been awarded to IRCON INTERNATIONAL LIMITED vide LOA dated 22.12.2023. Further extended to one year i.e. upto 31.07.2027 w.e.f. 01-02-2024 onwards.

Due to hindrances not attributable to the Company, the Authority had descoped the work of 6.88 Km of Main Carriage Way, 49.848 Km of Service Road and Project facilities. On request for rescoping of descoped work by the Company, NHAI has rescoped the entire descoped work. A Settlement Agreement for the execution of balance scope of work was signed on 25.04.2023 and the work was to be completed within the execution target of 18 months i.e. upto 31.10.2024. The rescoped works are being executed by the EPC Contractor (IRCON). However, due to the non-availability of encumbrance-free land arising from various hindrances, the proposal for an extension of time(EOT) upto 31.12.2025 has been submitted to the Authority which is currently under review. The physical progress as on 31.08.2026 is 98.58%.

Financial Performance

During the year, IrconDHHL achieved Total Income of ₹9358.32 Lakhs (including other income of ₹993.55 Lakhs and profit/(Loss) after tax ₹2,130.26 Lakhs for the Financial Year 2025-26.

Compliances and Disclosures

Compliance and Disclosures under the Companies Act, 2013 and its associated rules there under are fully being adhered to. CPSE's constituted as Special Purposed (SPV) are exempted from compliance with the DPE Guidelines on Corporate Governance for CPSEs. Hence, Corporate Governance guidelines of DPE are not applicable on your Company.

Acknowledgements

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members,
IRCON DAVANGERE HAVERI HIGHWAY LIMITED
C-4, District Centre Saket,
New Delhi- 110017

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **IRCON DAVANGERE HAVERI HIGHWAY LIMITED (CIN: U45500DL2017GOI317401)** hereinafter called the 'Company' for the financial year ended on **31st March, 2026**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on **31st March, 2026** (Audit period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; - **(Not Applicable to the Company during the Audit period)**
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; - **(Applicable to the Extent to Unlisted Company);**
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; - **(Not Applicable to the Company during the Audit period)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board

of India Act, 1992 ('SEBI Act') are **not applicable** to the Company as the securities of the Company are not listed with stock exchanges during Audit period.

- (a) Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements), 2015
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - (f) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 2025 regarding the Companies Act and dealing with client;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (vi) Other laws applicable specifically to the Company viz.
- 1. Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Central Rules, 1998.

We further report that Compliances/ processes/ systems under other specific applicable laws (as applicable to the industry) are being relied on the basis of periodical certificate under internal compliance system submitted to the Board of Directors of the Company.

The Compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the statutory auditor and the other designated professionals.

We have also examined compliance with the applicable clauses of the following:

- I. Secretarial Standards as amended from time to time issued by The Institute of Company Secretaries of India with respect to Board and General Meeting.
- II. DPE Guidelines on Corporate Governance for Central Public Sector Enterprises (CPSEs) issued by the Department of Public Enterprises vide their OM No. 18(8)/2005-GM dated 14th May 2010.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

- 1. The Company being an unlisted Government Company under Section 2(45) of the Companies Act, 2013 is a wholly owned subsidiary of Ircon International Limited and is exempted from the requirement of having Independent Directors as per Notification No.**

GSR 839(E) dated 5th July 2017 issued by the Ministry of Corporate Affairs, hence the Company is not required to have Independent Directors on its Board.

- 2. Further, in view of this aforesaid exemption, the Company has not constituted the Board Committees viz. Audit Committee and Nomination & Remuneration Committee as per Section 177(1), 178(1) of the Companies Act 2013.**

We further report that:

The Board of Directors of the Company was duly constituted with Non-Executive Directors as nominated by the Promoter Company viz. IRCON INTERNATIONAL LIMITED, as per the Articles of Association of the Company. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Generally, adequate notices were given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and in some cases at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions made in the Board/ Committee meeting(s) were carried out with the consent of requisite Directors/ Members present during the meeting and dissent/ abstinence, if any, have been duly recorded/ incorporated in the respective Minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the Audit period the Company had no major events/ action bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

INDEPENDENT AUDITOR'S REPORT

To the Members of
IRCON DAVANAGERE HAVERI HIGHWAY LIMITED,
(CIN - U45500DL2017GOI317401)
C-4, District Centre, Saket, New Delhi - 110017

Report on the Audit of the Standalone Financial Statement

We have audited the accompanying Standalone Financial Statements of IRCON DAVANAGERE HAVERI HIGHWAY LIMITED ("the Company") which comprises the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the period then ended and Notes to the Financial Statements including a summary of material accounting policies and other explanatory information (herein after referred to as "Standalone Financial Statements").

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the period ended on the date.

Basis for Opinion

We conducted our audit of the Standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Since we have not been provided with the copy of the Board Report, we are unable to comment on that.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

Excellence, Independence & Integrity (E2i)

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters

that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. The Comptroller and Auditor General of India has issued the directions indicating the areas to be examined in term of Sub-section 5 of Section 143 of the Act, the compliance of which is set out in "**Annexure B**".
3. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Cash Flow Statement and the Standalone Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. Being a government company, provision of section 164(2) of the Act are not applicable pursuant to the notification No. G.S.R.463(E) dated 5th June 2015, issued by the Central Government of India.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure C**".
 - g. Being a government company, provision of section 197 of the Act are not applicable vide notification no. GSR 463 (E) dated 5th June 2015, issued by the Central Government of India.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ircon Davanagere Haveri Highway Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of Company's Property, Plant & Equipment:

- (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.
- (b) The company is not having any intangible assets; hence this clause is not applicable.
- (c) According to the information and explanations given to us, the Property, Plant & Equipment have been physically verified by the management in a phased manner at reasonable intervals, and no material discrepancies were noticed on such verification. Further, there is a regular program of verification, which in our opinion, is reasonable having regard to the size of the company and nature of its business
- (d) The company does not own any immovable properties during the period of audit.
- (e) The Company has not revalued its Property, Plant and Equipment (including right of use of assets) or intangible asset of both during the financial year;
- (f) According to information and explanations given to us, no proceedings have been initiated or pending against company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder during the year.

ii. In respect of Inventories:

The Company does not have any inventory and has no working capital limits in excess of Rs. 5 Crore in aggregate at any points of time during the period, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii) of the Order is not applicable.

- iii. According to information and explanations given to us by the management and records produced before us, the Company has not made investments in, provided any guarantee or security, granted any loan or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships, and any other parties covered in the register required under section 189 of the Companies Act, 2013, during the period. Hence reporting under Paragraph 3(iii) of the order is not applicable to the Company.
- iv. In our opinion and according to information and explanations given to us by the management and records produced before us, the Company has not granted loans or provided any guarantees or given any security or made any investment to which the provisions of section 185 and 186 of the Companies Act 2013 are attracted. Accordingly, paragraph 3(iv) of the order is not applicable to the Company
- v. In our opinion and according to information and explanations given to us by the management and records produced before us, the Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under Sub-section (1) of Section 148 of the Companies Act, for any of the services rendered by the Company. Accordingly, clause 3(vi) of the Companies (Auditor's Report) Order 2020 is not applicable to the Company.
- vii. In respect of statutory dues:
 - (a) The Company is regular in depositing undisputed statutory dues, including Provident Fund, Income Tax, goods and service Tax, Sales tax, service tax, duty of Custom, duty of Excise, Value Added Tax, Cess and any other statutory dues applicable with the appropriate authorities. Employees State Insurance is not applicable to the Company. According to the information and explanation given to us and based on audit procedures performed by us, there are no undisputed statutory dues, which were outstanding as on 31.03.2026 for a period of more than six months from the date the same become payable.
- viii. According to the information and explanation given to us, and as per examination of records of the Company, in our opinion, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

Excellence, Independence & Integrity (E2i)

ix. In respect of loans and borrowings taken by the Company:

- (a) Based on our review of accounts and as per information provided, the Company has not defaulted in repayment of loans or other borrowing or in the payment of interest thereon during the year under audit.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanation given to us, the Company has applied term loan for the purpose for which loans were obtained.
- (d) According to the information and explanation given to us, funds raised on short- term basis, have not been used during the period for long-term purposes by the Company.
- (e) According to the information and explanation given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanation given to us, the company has not raised loans during the year on the pledge of securities held in subsidiaries, Joint Ventures and associate companies hence reporting on clause 3(ix)(f) of the Order is not applicable.

x. In respect of money raised through public offer / preferential allotment

- (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the period and hence reporting under clause 3(x) (a) of the Order is not applicable.
- (b) During the period, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. In respect of fraud during the year

- (a) According to information and explanation given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the period.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the period and upto the date of this report.
- (c) No whistle blower complaints received by the Company during the period (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.

xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

xiii. According to the information and explanation given to us, and based on our examination of records of the Company, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. In respect of Internal Audit

- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the period under audit, issued to the Company during the period and till date, in determining the nature, timing and extent of our audit procedures.

xv. According to the information and explanation given to us, and based on our examination of records of the Company, during the period the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. In respect of registration with RBI

- (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.

- xvii. The Company has not incurred cash losses during the period covered by our audit and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the period.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX. In respect of Corporate Social Responsibility

- (a) There is no unspent amounts towards Corporate Social Responsibility (CSR) other than ongoing projects for requiring a transfer to a fund specified in schedule VII to the companies Act in compliance with second proviso to sub section (5) of section 135 of the said Act. Accordingly reporting under clause 3(xx)(a) of the order is not applicable for the period.
- (b) There is no amount remaining unspent under sub- section (5) of section 135 of the Companies Act, pursuant to ongoing project for the period. Accordingly reporting under clause 3(xx)(b) of the order is not applicable for the period.
- xxi. The Company does not have investment in subsidiaries, associates or joint ventures and therefore, company is not required to prepare consolidated financial statements. Accordingly reporting under clause 3(xx) of the order is not applicable.

As required by Section 143(5) of the Act with respect to directions issued by Comptroller and Auditor General of India, we report that:

S. NO.	CAG Directions	Auditors Replies
1.	Assess the fair valuation of all the investments, both quoted and unquoted, made directly by the Company or through Trusts, for Post retirement benefits of the employees. This includes verifying valuation methodologies, ensuring consistency with Ind AS and reviewing supporting documentation. The auditor shall provide a brief note on the valuation approach, its reasonability, and compliance with applicable regulations, reporting any material deviations or misstatements.	The Company is a SPV and 100% subsidiary of M/s Ircon International Ltd. The permanent employees of the company are the employees of its holding company and are posted in the company. Accordingly the Company neither make any direct investment nor through any Trusts for post-retirement benefits of its employees, and consequently, no investments are held through such Trusts. The post-retirement activities are undertaken by the holding company. The gratuity liability for Contract Employees is determined and recognized in the books of accounts based on actuarial valuation and is not separately invested. Since the Post Retirement Benefit funds are maintained and invested by the holding company hence the requirement of the direction are dealt by the holding company.
2.	Whether the Company has a system in place to process all the accounting transactions through IT system? If yes, whether review of this system and controls that are significant to the Companies' financial reporting process as well as cyber security has been done by Information Security Auditing Organisations empaneled by Cert-In at a minimum frequency of once in a year and material discrepancies found, if any, have been suitably reported? The implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications may also be reported.	The company is using SAP S/4 Hana system to process all the accounting transactions and used for preparation for financial accounts. As per information and explanations provided to us no accounting transaction/s has been processed outside the IT system except billing to the client for which no financial implication were observed. The Company is a SPV and 100% subsidiary of M/s Ircon International Ltd. The SAP S/4HANA System is installed and maintained by the Holding Company, hence matters relating to cyber security assurance are addressed at the level of the Holding Company.
3.	Whether funds (grants/ subsidy etc.) received/ receivable for specific schemes from Central/State Government or its agencies were properly accounted for as per the applicable	The Company is purely a commercial organization No funds have been received/receivables from Central/State Government or

4.	Whether the Company has identified the key Risk areas? If yes, whether the Company has formulated any Risk Management Policy to mitigate these risks? If yes, (a) whether the Risk Management Policy has been formulated considering global best practices? (b) whether the Company has identified its data assets and whether it has been valued appropriately?	The Company is a SPV and 100% subsidiary of M/s Ircon International Ltd. The Company has identified Key Risk Areas and it had formulated Risk Management Policy to mitigate risk and accordingly formed Risk Management Committee consisting of two directors. (a) The Risk Management Policy had been formulated after considering global best practices. (b) As per information and explanations, the Company has identified its data assets, albeit it is valued by the Holding Company.
5.	Whether the Company is complying with the Securities and Exchange Board of India (SEBI) (Listing Obligation and Disclosure Requirements) Regulations, 2015, and other applicable rules and regulations of SEBI, Department of Investment and Public Asset Management, Ministry of Corporate Affairs, Department of Public Enterprises, Reserve Bank of India, Telecom Regulatory Authority of India, CERTIN, Ministry of Electronics and Information Technology and National Payments Corporation of India wherever applicable? If not, the cases of deviation may be highlighted.	The Company is a SPV and 100% subsidiary of M/s Ircon International Ltd. As per information and explanations, the company is not a listed, telcom and payment gate way company hence provisions SEBI, TRAI and NPCI are not applicable to the Company. ANNEXURE 'C' TO THE INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

(Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ircon Davanagere Haveri Highway Limited of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the Standalone Financial Statements of IRCON DAVANAGERE HAVERI HIGHWAY LIMITED ("the Company") as of March 31st 2026 in conjunction with our audit of the Standalone Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, "based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

2. Material accounting policies information

2.1. Basis of preparation of Financial Statements

i. Statement of compliance

The Standalone Financial Statements of the Company have been prepared on going concern basis following accrual system of accounting and in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

ii. Basis of measurement

The Standalone Financial Statements have been prepared under the historical cost convention except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value.

iii. Functional and Presentation Currency

These Standalone Financial Statements are presented in Indian Rupees (INR) which is the Company's functional currency. All amounts have been rounded to the nearest Lakhs up to two decimals except for per share data, unless otherwise stated.

2.2 Summary of material accounting policies information

A summary of the material accounting policies information applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

2.2.1. Current and non-current classification

Based on the time involved between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined twelve months as its operating cycle for the purpose of classification of its assets and liabilities as current and non-current in the balance sheet. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.2.2. Property, plant and equipment

Property, plant and equipment are initially stated at their cost.

The cost of an item of property, plant and equipment includes:

(a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates;

(b) Cost directly attributable to the acquisition of the asset which incurred in bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Each part of an item of Property, Plant and Equipment is depreciated separately if the cost of part is significant in relation to the total cost of the item and useful life of that part is different from the useful life of remaining asset.

Depreciation on property, plant and equipment is provided on straight line basis over the estimated useful lives of the assets as specified under part C of schedule II of the Companies Act, 2013 and

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

disclosed in the notes to accounts. The residual values is not more than 5% of the original cost of assets.

Property plant and equipment acquired during the period, individually costing up to ₹5000/- are fully depreciated, by keeping Re. 1 as token value for identification. However, Mobile phones provided to employees are charged to statement of profit and loss irrespective of its value.

Depreciation methods, useful lives and residual values are reviewed at each financial year-end.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

2.2.3. Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset.

2.2.4. Revenue Recognition

The Company derives revenues primarily from the Service Concession Arrangement comprising the construction and operation & maintenance services pertaining to an infrastructure (Road) on Hybrid Annuity Mode.

i. Revenue from Service Concession Arrangement

The Company's contracts with the Customers for the construction and operation & maintenance services under the Service Concession Arrangement (SCA) are accounted for as a single performance obligation as contract is negotiated as a package with a single commercial objective and involves complex integration of construction and maintenance services.

Revenue is recognised over the time using input method (i.e., percentage-of-completion method) which is consistent with the transfer of control to the customer because there is a direct relationship between the Company's effort (i.e., cost incurred) and the transfer of service to the customer. Under input method, contract revenue is recognized as revenue by reference to the stage of completion as at the reporting date.

The stage of completion is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation. However, where the Company is not be able to reasonably measure the outcome of a performance obligation, but the Company expects to recover the costs incurred in satisfying the performance obligation, the Company recognises revenue only to the extent of the costs incurred until such time that it can reasonably measure the outcome of the performance obligation.

A cumulative catch-up adjustment would be recognized in the period in which the entity is able to reasonably measure its progress. Changes to total estimated contract costs, if any, are recognised in the period in which they are determined as assessed at the contract level.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

Any expected losses on contracts in progress are charged to statement to profit & Loss, in total, in the period the losses are identified.

Revenue is measured at the transaction price that is allocated to the performance obligation and is adjusted for variable considerations. Variability in the transaction price arises primarily due to liquidated damages, price variation clauses, incentives, change in law etc. The Company recognizes revenue for variable consideration when it is probable that a significant reversal in the amount cumulative revenue recognized will not occur. The company estimates the amount of revenue to be recognized on variable consideration using most likely amount method. Consequently, amounts allocated to a satisfied performance obligation are recognised as revenue, or as a reduction of revenue, in the period in which the transaction price changes.

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to the existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch-up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if additional services are priced at the standalone selling price, or as a termination of existing contract and creation of a new contract if not priced at the standalone selling price.

Contract balances

Contract assets

If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. The portion of the payments retained by the customer until final contract settlement is not considered a significant financing component since it is usually intended to provide customer with a form of security for Company's remaining performance as specified under the contract, which is consistent with the industry practice.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivable are recognised initially at the transaction price as they do not contain significant financing components. The Company hold the trade receivable with the objective of collecting the contractual cash flows and therefore measure them subsequently at amortised cost using the effective interest rate method less loss allowance.

Contract liabilities

If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

Financial Assets Under Service Concession Arrangements (Appendix D to Ind AS 115 – Revenue from Contracts with Customers)

The Company recognise a financial asset to the extent that it has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor ("NHAI") for the construction services and Operation & Maintenance services.

Such financial assets are initially measured at fair value and subsequently at amortized cost using the Effective Interest Rate (EIR) method and interest income on financial assets is presented under other operating revenue.

ii. Other income

Interest income is recognized using Effective Interest rate method.

All other income is accounted on accrual basis when no significant uncertainty exists regarding the amount that will be received.

2.2.5. Borrowing cost

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds and are charged to statement of profit and loss in the period in which they are incurred except when it meets the criteria for capitalisation as part of qualifying assets as per Ind AS 23.

2.2.6. Taxes

Tax expense comprises current tax and deferred income tax.

i. Current income Tax

Current tax is determined as the tax payable in respect of taxable income for the period and is computed in accordance with relevant tax regulations.

Current income tax is recognized in statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii. Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.2.7. Employee Benefits

i. Short Term Employee Benefits

Employee benefits such as salaries and wages, short term compensated absences, and Performance Related Pay (PRP) falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and undiscounted amount of such benefits are expensed in the statement of profit and loss in the period in which the employee renders the related services.

ii. Post-employment benefits & other Long Term Employee Benefits

The employees of the Company are on deputation from Ircon International Limited, Holding Company. The post employee benefits & other long term employee benefits includes gratuity, provident fund, post- retirement medical facility, pension, leave encashment and leave travel concession.

As per arrangement with the Ircon International Limited, Holding Company, the cost in relation to post employee & other long term Employee Benefits will be reimbursed to the holding Company on the basis of fixed contribution based on basic pay and dearness allowance for the period of services rendered in the Company.

The company's liability with respect to the long term employee benefit for employees on deputation from holding company is limited to the extent of fixed contribution to be paid to the holding company. Actual settlement of the long term employee liability will be the responsibility of holding company.

Liability for contractual employees in respect of gratuity is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at each reporting date and the calculation is performed by an independent actuary using the projected unit credit method.

Re-measurement, comprising actuarial gains and losses, is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to statement of profit and loss.

2.2.8. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes unrestricted cash and short-term deposits with original maturities of three months and less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

2.2.9. Contingent liabilities & contingent assets

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions recognised by the Company include provisions for Maintenance, Demobilization, Legal Cases, Corporate Social Responsibility (CSR), Onerous Contracts and others.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

These provisions are reviewed at each reporting date and adjusted to reflect the current best estimates.

Onerous contracts

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation or present obligations that may but probably will not, require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent assets

Contingent assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

2.2.10. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration.

Company as a lessee

Short Term leases

The company has elected not to recognise ROU and lease liabilities for short term leases that have a lease term of twelve months or less. The company recognises lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.2.11. Financial instruments

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

i. Financial assets

a) Initial recognition and measurement

All financial assets (excluding trade receivables which do not contain a significant financing component, being measured at transaction price) are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of financial asset. Transaction costs directly attributable to the acquisition of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

b) Subsequent measurement

Subsequent measurement of financial asset depends on the Company business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its financial asset as:

Financial assets at amortised cost

After initial measurement, the financial assets that are held for collection of contractual cash flows where those cash flow represent solely payments of principal and interest (SPPI) on the principal amount outstanding are measured at amortised cost using the effective interest rate (EIR) method. Interest income from these financial assets is included in other income.

Impairment of financial assets

The Company applies the expected credit loss (ECL) model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, and other contractual rights to receive cash or other financial asset.

For trade receivables and contract assets, the Company follows 'simplified approach' and measures the loss allowance at an amount equal to lifetime expected credit losses.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

c) Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset, and the transfer qualifies for derecognition under Ind AS 109.

The difference between the carrying amount and the amount of consideration received / receivable is recognised in the statement of profit and loss.

ii. Financial liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings, net of directly attributable transaction costs.

The Company's financial liabilities include borrowings, trade and other payables and other financial liabilities.

b) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortized cost

After initial recognition, borrowings, trade payables and other financial liabilities are subsequently measured at amortised cost using the EIR (Effective Interest Rate) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

c) Derecognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

2.2.12. Fair value measurement

The company measures financial instruments at fair value at each reporting period.

All assets and liabilities for which fair value is measured, are disclosed in the financial statements. Such assets and liabilities are categorised within the level 3 (Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable) of fair value hierarchy.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

2.2.13. Earnings Per Share

In determining basic earnings per share, the company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period.

In determining diluted earnings per share, the net profit attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

2.2.14. Prior Period Adjustment

Errors/omissions discovered in the current year relating to prior periods are treated as immaterial and adjusted during the current year, if all such errors and omissions in aggregate does not exceed 0.50% of total operating revenue as per last audited financial statement of the Company.

2.2.15. Dividend

Annual Dividend distribution to the Company's equity shareholders is recognized as liability in the period in which dividend is approved by the shareholders. Any interim dividend is recognized as liability on approval by the Board of Directors.

Dividend payable is recognized directly in equity.

2.2.16. Significant accounting estimates and judgements

The preparation of Standalone Financial Statements requires the management to make judgements, accounting estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Significant areas of estimation and judgements as stated in the respective accounting policies that have the most significant effect on the financial statements are as follows:

i. Allowances for uncollected trade receivables

Trade receivables do not carry interest and are stated at their nominal values as reduced by appropriate allowances for estimated irrecoverable amount are based on ageing of the receivable's balances and historical experiences. Individual trade receivables are written off when management deems not be collectible.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

ii. Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. There are certain obligations which managements have concluded based on all available facts and circumstances are not probable of payment or difficult to quantify reliably and such obligations are treated as contingent liabilities and disclosed in notes. Although there can be no assurance of the final outcome of legal proceedings in which the company is involved, it is not expected that such contingencies will have material effect on its financial position of probability.

iii. Impairment of financial assets

The impairment provision for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, credit risk, existing market conditions as well as forward looking estimates at the end of each reporting period.

iv. Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the nature of business differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments that will impact the current and deferred income tax assets and liabilities in the period in which such determination is made. The company establishes provisions, based on reasonable estimates.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

v. Impairment of non-financial assets

The entity assesses at each reporting date whether there is an indication that an asset may be impaired. Determining the recoverable amount of the assets is judgmental and involves the use of significant estimates and assumptions. The estimates are based upon assumptions believed to be reasonable, but which are inherently uncertain and unpredictable and do not reflect unanticipated events and circumstances that may occur.

vi. Revenue recognition

The company's revenue recognition policy, which is set out in Note 2.2.4, is central to how the company values the work it has carried out in each financial year.

These policies require forecasts to be made of the outcomes of Contracts, which require, assessments and judgements to be made on changes in scope of work and claims and variations.

The Company has incorporated significant judgements over contractual entitlements for long term project. The range of potential outcomes could result in a materially positive or negative change to underlying profitability and cash flow.

Ircon Davanagere Haveri Highway Limited
Notes to financial statements for the year ended March 31, 2026

Estimates are also required with respect to the below mentioned aspects of the contract:

- Determination of stage of completion
- Estimation of project completion date
- Provisions for foreseeable losses
- Estimated total revenues and estimated total costs to completion, including claims and variations.

These are reviewed at each reporting date and adjust to reflect the current best estimates.

(i) Employees on nomination/secondment basis

a. The employees in Ircon Davanagere Haveri Highway Limited are posted on Deputation/secondment basis from Ircon International Limited (Holding Company).

b. In terms of accounting policy of the Company (Note No. 2.2.7) and arrangement with the Holding Company, the provision for Retirement Benefits such as provident fund, pension, gratuity, post retirement medical benefits, Leaves and other terminal benefits of nominated employees is being made by Holding company in terms of Ind AS-19. The amount paid or payable towards provident fund, pension, gratuity, post retirement medical benefits, Leaves and other terminal benefits to the holding company are included in "Employee Benefit Expenses" as per the advice of the holding company based on actuarial valuation (Note 18).

c. Provident Fund Contribution of the employees on nomination/secondment have been regularly deposited by the holding company with its P.F Trust.

(ii) Contract Employees - Gratuity

On 21st November 2025, the Government of India notified provisions of the Code on Wages 2019, the Industrial Relations Code 2020, the Code on Social Security 2020 and the Occupational Safety, Health and Working Conditions Code 2020, which consolidates the existing 29 labour laws into a unified framework governing employee benefits. In accordance with Indian law, the Company operate a scheme of gratuity for eligible contract employees which is a defined benefit plan. Vesting occurs upon completion of contractual period of continuous years of service as defined in the Code on Social Security, 2020.

During the year ended 31 Mar 2026, the Company has recognised gratuity liability for contract employees for the first time based on holding company's management's assessment of the applicable legal and regulatory position based on actuarial valuation. The plan is wholly unfunded and, accordingly, no plan assets or qualifying insurance policy exist as at the reporting date and the entire defined benefit obligation is recognised as a liability in the financial statements. The liability in respect of gratuity is determined on the basis of an actuarial valuation carried out as at the reporting date.

The following table sets out the details of the defined benefit plans and the amounts recognised in the financial statements as on March 31, 2026:

Risk analysis

Company is exposed to a number of risks in the defined benefit plan. Most significant risks pertaining to defined benefits plan, and management's estimation of the impact of these risks are as follows:

a) Discount rate Risk

Reduction in discount rate in subsequent valuations can increase the plan's liability.

b) Longevity risk/ Life expectancy

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

c) Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

27 Segment Reporting

(i)

General Information

Operating segments are defined as components of an enterprise for which discrete financial information is available which is being evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and assessing performance. The Board of Directors of the Company is the Chief Operating Decision Maker (CODM). The Company is engaged in the business of infrastructure development in the state of Karnataka and the Chief Operating Decision Maker (CODM) monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed in accordance with the requirements of Ind AS 108.

(ii)

During the year ended March 31st, 2026, Total Revenue from operation of Rs. 8364.77 Lakhs (March 31st, 2025 Rs. 16,005.64 Lakhs) are derived from a single customer i.e. NHAI which is more than 10% of the Company's total revenue.

28 Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade payables and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivables, cash and cash equivalents, other bank balances, loans and other financial assets. The Company is exposed to credit risk, liquidity risk and market risk arising from its use of financial instruments. This note presents information about the Company's exposure to each of the above risks, and the Company's objectives, policies and processes for measuring and managing these risks.

Risk Management Framework

The Company's activities make it susceptible to various risks. The Company has taken adequate measures to address such concerns by developing adequate systems and practices. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

(a)

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, cash and cash equivalents with banks, other bank balances, loans and other financial assets. The Company's exposure and credit ratings of its counterparties are continuously monitored by the management.

Cash and cash equivalents & Other bank balances

The cash and cash equivalents & other bank balances are held in public sector banks with strong credit ratings.

Trade Receivables and other financial assets

The Company's exposure to credit risk is influenced mainly by the characteristics of the customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company derives revenue primarily from the Construction of Expressway and other financial assets primarily relates to the unbilled revenue under Service Concession Arrangement (SCA). The credit risk arising from these trade receivables and unbilled revenue is limited because the counterparty is National Highways Authority of India (NHAI), an autonomous agency of Government of India, with capacity to meet the obligations and therefore, the risk of default is very negligible or Nil.

b)
Liquidity risk

The Company manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of committed credit lines. The company regularly monitors the position of Cash and Cash Equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and financial liabilities and maintenance of Balance Sheet liquidity ratios are considered while reviewing the liquidity position. The Company's investment policy and strategy are focused on preservation of capital and supporting the Company's liquidity requirements. The senior Management of the Company oversees its investment strategy and achieve its investment objectives. The policy requires investments generally to be investment grade, with the primary objective of minimising the potential risk of principal loss.

Other Financial Liabilities	341.06	-	-

c)
Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Board of Directors is responsible for setting up of policies and procedures to manage market risks of the Company.

(i)
Foreign Currency risk

The functional currency of the Company is Indian Rupees. The Company is not exposed to any foreign currency risk.

(ii)
Interest rate risk

Interest rate risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Financial instruments affected by interest rate risk includes deposits with banks, financial assets on SCA & borrowing from bank & related party. The interest rate risk on deposits with banks is not significant as the interest rates are generally fixed for the tenure of such instruments. The Company is exposed to interest rate risk primarily on its non-current borrowings & financial assets on SCA with floating interest rates, as the cash flows associated with such borrowings and SCA will fluctuate with changes in market interest rates. However, the Company will receive interest income on financial assets arising from annuity-based service concession arrangements (SCA), which are generally linked to similar benchmark rates. Accordingly, changes in interest rates on borrowings are largely offset by corresponding movements in interest income on such financial assets, thereby mitigating the Company's overall exposure to interest rate risk.

At the reporting date, interest rate profile of the Company's interest bearing financial instruments is as follows:

Particulars	31/Mar/26	31/Mar/25
Fixed rate Instrument		
Financial Asset	15,801.00	12,627.00
Financial Liabilities	-	-
Floating rate Instrument		
Financial Asset	38,782.05	42,769.91
Financial Liabilities	29,925.15	32,217.25

The following sensitivity analysis demonstrates the impact of a reasonably possible change in interest rates on the Company's profit before tax, with all other variables held constant. The impact on profit before tax is mainly on account of changes in interest expense on floating rate borrowings. A reasonably possible change of ± 50 basis points (bps) in interest rates has been considered for the purpose of this analysis.

Particulars	31/Mar/26	31/Mar/25
	Impact on PBT	Impact on PBT
Floating rate borrowings: + 50 basis points	(154.66)	(166.60)
Floating rate borrowings: - 50 basis points	154.66	166.60

d)
Concentration of risk

The Company has a significant concentration of credit risk as its entire revenue and receivables arise from a single counterparty, i.e., National Highways Authority of India (NHAI) under service concession arrangements. As at the reporting date, substantially all financial assets related to contract assets / receivables are exposed to this counterparty. However, the credit risk is considered low as NHAI is a Government of India undertaking and payments are backed by contractual arrangements.

The following table provides details of revenue generated from the Company's single customer, NHAI, representing 100% of total revenue:

Particulars	For the year ended 31st March 2026	For the year ended 31st March 2025
Revenue from NHAI	8,364.77	16,005.64

b)
Fair value hierarchy

Financial assets and financial liabilities are measured at fair value in these financial statements and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for the asset or liability.

(iii) Other financial liabilities	341.06	-	-	341.06
	35,607.31	-	-	35,607.31

The management assessed that the carrying amounts of cash and cash equivalents, other bank balances, trade receivables, trade payables and other short-term financial assets and liabilities approximate their fair values due to their short-term maturities.

(i) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

(ii) Long term variable rate borrowings are evaluated by company on parameters such as interest rates, specific country risk factors and other risk factors. Based on this evaluation, the fair value of such borrowings are not materially different from their carrying amount.

(iii) Non current financial assets i.e. Contract Assets from construction contract are measured at amortised cost using the effective interest method. These contract assets carry interest at rates linked to MCLR plus applicable spread, which represents market rate of return. Accordingly, the carrying amount of such receivables approximates their fair value and no separate discounting adjustment is considered necessary.

(iv) During the FY 2025-26 & FY 2024-25, there were no transfers between Level 1, Level 2 and Level 3 fair value measurements.

30 Capital Management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The management and the Board of Directors monitor the return on capital. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure. The Company monitors capital using debt equity ratio which is debt divided by total equity. Total equity includes equity share capital, instruments entirely equity in nature and other equity. 32 Service Concession Arrangements

Public to private service concession arrangements are recorded in accordance with Appendix "D"- Service Concession Arrangements (Ind AS-115). Appendix "D" is applicable if:

- a) The Grantor controls or regulates which services the operator should provide with the infrastructure, to whom it must provide them, and at what price; and
b) The Grantor controls- through ownership, beneficial entitlement, or otherwise- any significant residual interest in the infrastructure at the end of the term of the arrangement.

If both of the above conditions are met simultaneously, a financial asset is recognized to the extent that the operator has an unconditional contractual right to receive cash or other financial asset from or at the discretion of the Grantor for the service.

These financial assets are initially recognized at cost, which is understood as the fair value of the service provided plus other direct costs directly attributable to the operation. They are then stated at amortized cost at the end of each financial year.

Iron Davanagere Haveri Highway Limited (IDHHL) has entered into service concession arrangement with National Highway Authority of India (NHAI) dated 19-06-2017, in terms of which NHAI (the grantor) has authorized the company for development, maintenance and management of National Highway No. 48 (Old NH-4) including the section from Km 260.00 to Km 338.923 (approx. 78.923 Km) on Davanagere - Haveri Section of National Highway No. 48 (Old NH-4) in the State of Karnataka by six-laning thereof on design, build, finance, operate and transfer basis. In terms of the said agreement IDHHL has an obligation to complete construction of the project of Six laning of Davanagere Haveri section and to keep the project assets in proper working condition including all projects assets whose lives have expired. The Project is under Annuity pattern.

The Concession period shall be 15 years commencing from the Commercial operation date. At the end of the concession period, the assets will be transferred back to National Highway Authority of India (NHAI).

In case of material breach in terms of agreement the NHAI and IronDHHL have right to terminate the agreement if they are not able to cure the event of default in accordance with such agreement.

Company has recognized financial asset of Rs. 38782.05 Lakhs under service concession agreement up to the year ended 31st March 2026 (31st March 2025 Rs 42769.91 lakh) after taking into account the receivables due from NHAI on completion of milestone as per terms of the contract. The company has recognised revenue of Rs 8364.77 Lakhs for the year ended on 31st March 2026 (for the year ended on 31st March 2025 Rs 16005.64 Lakh) on construction of Road under SCA and Operation Revenue as per Ind AS - 115 related to "Revenue from Customers". 38 Disclosure as required by Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"

The Government of India has consolidated 29 labour laws into four New Labour Codes, effective 21 November 2025; however, the related rules are yet to be notified. Accordingly, Material Accounting Policy No. 2.2.7 relating to Employee Benefits has been revised.

Pursuant to the above, the Company has recognised gratuity liability for eligible contract employees for the first time, based on actuarial valuation and management's assessment of the applicable legal position. Consequently, a defined benefit obligation of Rs. 1.76 Lakh (FY 2024-25 Nil) has been recognised in the financial statements (refer Note no 12)

S. No.	Particulars	Amount (In Lakh)
1	Past service cost charged to P&L	0.94
2	Current service cost charged to P&L	0.82
3	Impact on profit before tax	1.76
4	Impact on Other Comprehensive Income	Nil
5	Defined benefit obligation recognised	1.76

The above has been accounted for prospectively in the current year, there being no impact on comparative periods.

39 Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new accounting standards or amendments to existing standards under the Companies (Indian Accounting Standards) Rules from time to time. Amendments effective from April 1, 2025

- a) **Disclosure as per Ind AS-1: Disclosures on presentation of financial statements**
In August 2025, the MCA notified amendments relating to the classification of liabilities as current or non-current, including guidance on non-current liabilities with covenants. The amendments clarify that the right to defer settlement must exist as at the reporting date and should be substantive. The Company has assessed the amendment and concluded that there is no impact on the classification of its current and non-current liabilities.
- b) **Disclosure as per Ind AS 21 "The Effects of Changes in Foreign Exchange Rates"**
In May 2025, Ind AS 21 Amendments - Currency Exchangeability Clarifies how to assess exchangeability and determine spot rates when currencies can't be exchanged, with disclosure of impacts on performance, position, and cash flows.. The Company does not enter into any transactions which involves foreign exchange.
- c) **Disclosure as per Ind AS 7 - "Statement of Cash Flows" and Ind AS 107 - "Financial Instruments: Disclosures"**
The amendments introduce disclosure requirements for supplier finance arrangements, including details of the nature of such arrangements, carrying amounts of related liabilities, and payment terms. Additionally, such arrangements are considered in assessing concentration of liquidity risk. The Company has evaluated these amendments and determined that they do not have any impact on its financial statements.
- d) **Disclosure as per Ind AS 12 - "Income Taxes - International Tax Reform: Pillar Two Model Rules"**
The amendments introduce a temporary mandatory exception from the recognition of deferred taxes arising from the implementation of the Pillar Two Model Rules and require disclosure of its application. As the Company has not undertaken transactions of this nature, these amendments have no impact on its financial statements.

40 Other disclosures
